How You Want
to Spend Your

WORKING TIME

QUESTIONS TO CONSIDER

1. Do you want to spend a lot of time one-on-one with your ideal target audience, coaching and consulting with them in person or online? Describe what this looks like.

2 Do you want to be flexible with your time and schedule and work on written content or pre-recorded video content instead of doing it live?

3. Do you like the idea of being in the public eye, or do you prefer to be in the background?

QUESTIONS TO CONSIDER

4. Do you want to travel and speak across the country?

5. Do you want to go work long hours with a company consulting them on your area of expertise before taking a couple of months off?

6. What do you see yourself doing when you're not working?

QUESTIONS TO CONSIDER

7. Are there potential roadblocks to getting what you want?

8. Get curious . . . how can you work through those roadblocks? Develop a plan so if the roadblocks occur, you know what you're going to do about it.

9. What mindset shifts will help you embrace the challenges AND assist you in breaking through the roadblocks?
